Hotels

When you travel with Explorica by WorldStrides, you stay in clean, safe, attractive hotels that provide modern amenities and easy access to major attractions.

It is Explorica's policy to accommodate students in hotels that prioritize safety and meet our "three C" standards—clean, comfortable, and convenient. Upgraded hotels are available upon request.

The selection of our hotels is based on proximity to itinerary sights, comfort, quality, and safety. Students are roomed in either triple or quad accommodations based on hotel availability.

Students have the option to upgrade to twin rooming for \$45 per night. Paying adults (23 or older) are roomed in twin/double accommodations and a \$45 per night double/twin rooming supplement is included in the adult total cost. Adults have the option to upgrade to a single room for an additional \$40 per night.

HOTEL SAMPLE SPECIFIC TO FLORENCE, ITALY

Hotel Le Due Fontane

Standard hotel

Hotel Description

"The Hotel is located in the historical and artistic center, in the most famous renaissance square of Florence, 200 meters from the Cathedral.

It is in a neo-classic building, completely restructured, with 62 tastefully furnished rooms in the Florentine "poor art" style; each room has a Mini-bar, air conditioning, satellite Television and Internet Wi-Fi connection.

The hotel also has 2 garages and can provide a Shuttle service to the train station and airport."

Group Leader Evaluations

"We were right in the heart of Florence so we got to experience that city to a greater degree than the others"

Meals

Explorica by WorldStrides provides breakfast and dinner daily on all tours, unless otherwise indicated on your itinerary. We make sure all travelers have the opportunity to experience local cuisine, whether that's buttery lobster rolls in Boston or the best pizza in Rome.

Tour Director

Your Tour Director is responsible for organizing trip logistics. They will be with you from the beginning of the tour until the end to oversee the arrangements for all transportation, meals, accommodations, and sightseeing. Your Tour Director can also provide suggestions for your free time. Local guides are your resource for detailed destination information.

Health & Safety

All traveling participants on WorldStrides programs have the support of our 24/7 WorldAssist emergency response team and access to Doctors on Call. Our exclusive relationship with The George Washington University Medical Faculty Associates provides 24/7 access to medical care. Telehealth consultation with a mental health professional is also available through our relationship with AXA Behavioral Health.

Being a WorldStrides Tour Director is an extremely competitive position. All of our Tour Directors come highly recommended with at least five years of experience in the industry and are trained extensively on our emergency procedures.

Explorica by WorldStrides has a \$50 million Liability Insurance Policy and we can have your school information printed on the certificate before traveling.

We are a member of USTOA: United States Tour Operators Association's \$1 Million Travelers Assistance Program. As an Active Member of USTOA, Explorica, Inc. is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Explorica, Inc. customers in the unlikely event of Explorica, Inc. bankruptcy, insolvency or cessation of business. Further, the \$1 million posted by Explorica, Inc. may be sufficient to provide only a partial recovery of the advance payments received by Explorica, Inc. Liability policy

To Whom It May Concern,

We understand that many school officials have expressed concern about allowing their students to travel. We want to assure you that the safety of the tour participants is Explorica's number one priority and that we have policies and procedures in place to protect the school, school district, teachers and participants involved with this tour.

Explorica has a \$50 million liability policy that protects third parties and tour participants (students, teachers, chaperones) for injuries and damages resulting from Explorica's negligence. We know that school officials should not have to assume responsibility for the safety of their students while on tour. Explorica has taken all precautions to best protect the students and other tour participants.

We of course share your concern for the students' safety and peace of mind. Our optional Cancel for Any Reason travel protection plan provides medical, baggage and cancellation insurance coverage for our travelers. We also have a network of support staff in the United States as well as a 24-hour emergency service for groups and their families. We offer additional peace of mind for parents and friends of our travelers by providing an online Tour Diary that is updated with pictures and journal entries by the Tour Director throughout the trip.

If you would like to discuss this matter further, we would be happy to speak with you at any time. Please call us at 1.888.310.7120.

Sincerely,

Tim Sweeney

Chief Product Delivery Officer
Explorica by WorldStrides

From Our Program Leaders

After every tour, Explorica by WorldStrides asks our Program Leaders to evaluate our overall pre-tour, during tour, and post-tour performance as a company.

“

“I thought the whole process was terrific! The best way I think that one can judge how successful the trip was is by how the students felt about the trip. Every one of our students enjoyed the experience. We all felt the experience had a positive impact on us and something that we will remember forever. Our Tour Director was beyond great. He attended to all our needs and wanted nothing more than for our experience to be a positive one. The students and adults all felt comfortable with him and he was always available to answer our questions and take care of our needs. I believe Explorica hit a home run. I've used Explorica for the last 4 years and have found it to be very rewarding and professional. I plan to continue to use Explorica in the future because I believe they are the best out there for the price.”

From Bradley E. – Lansing, KS

“

“I have been travelling with Explorica for several years and have been on a variety of tours with this company. I would not travel with anyone else. I feel they work hard to give the students the best experiences for the best value.”

From Nancy B. –Tower City, PA

From Our Program Leaders

“

“The tour director and bus driver were fantastic!! The tour guide was extremely knowledgeable of the sites and understanding of teenage quirks. Additionally, both he and the bus driver were very accommodating to our needs and requests. The bus driver was great navigating the busy streets of the cities and also a wealth of information! We hope to travel with Explorica again!”

From Jennifer B. – Chicago, IL

“

“Explorica did it again! Every trip is better than the last. We covered a lot of territory in a week. The success to a good trip besides Explorica’s organization and support is excellent tour guides. We had two of the best. This is a super adventure at an affordable price. It was very easy to organize with the people at Explorica so accommodating and friendly.”
