

AGENDA ITEM 8.G.

RE: Approval for Workforce External Lab Project

STAFF RECOMMENDATIONS: Administration recommends that the Board of Trustees approve the award of a contract to American Contracting in the amount of \$121,000.00 for the Workforce External Lab Project – External Lab Site Preparation.

BACKGROUND: As part of Laredo College's ongoing efforts to enhance workforce training infrastructure, the College is moving forward with the Workforce External Lab Project. This project will provide a dedicated external lab area to support hands-on instructional activities aligned with workforce and technical education programs.

Following an evaluation of proposals and qualifications, Administration recommends awarding the contract for external lab site preparation to American Contracting.

Scope of Work

The scope of work for the Workforce External Lab Project – External Lab Site Preparation includes the following:

1. Cleaning and removal of existing debris from an area of approximately 78,850 square feet.
2. Construction of an 8-inch caliche pad covering approximately 16,500 square feet.
3. Caliche material shall be Type A-1 or A-2, compacted to 98% compaction.
4. Final pad location and designated work areas will be determined by the College.
5. All debris generated from the project will be disposed of at a site provided by the College.

BUDGETARY CONSIDERATIONS: \$121,000.00 Funds for this project will be provided by the Matias De Llano Construction Management Grant.
