## Screenagers...

On February 13th, Homedale School District hosted a very successful community/family event. A viewing of the documentary "Screenagers" was held at Homedale High School for parents, students, and community members. With the use of cell phones, social media, and screens being such a big part of children's and parents' lives, we felt like exploring the dangers and appropriate uses would be beneficial.

The school committee set out with an original goal of getting 50 people to attend the event. On the night of the event, after a day of terrible weather with roads in bad conditions, we had 136 people show up to view the playing of screenagers. It was a very positive night for all involved.

A special shout out to Scott Morin and the Friends Community Church for providing dinner to all the families that participated. Also thank you to the following staff members for all of their preparation

Kelsey Kirkland  
Kim Morin  
Angie Swallow  
Cassandra Rosa  
Heather Landa  
Margo Phariss
