

# **Board Report for October 12, 2015**

## **Maintenance:**

Well.....we are working on work orders as fast as we can. We have lots to do. We have been replacing ceiling tile, fixing doors, fixing lights, fixing/ replacing floor tile and etc. We are doing our best and as fast as we can!

## **Transportation:**

BB-1 is still in the shop; hope to have it back soon. Had to do some work on Bus #53 and so far it has fixed it. I some work to do on the handicap bus. We went from 4 to 3 routes and everything is going well there. Mr. Thompson has informed me that we must be out of the coop barn by the end of December, so we will be start moving things around and parking some vehicles outside so that we can be cleaned up and out by the end of December.
