Technology Overview and Report
June 21st, 2021

DEVICES			
Brown Primary	Laptops	**16**	Teachers and professional staff
	Chromebook	**67**	Instructional aides and classrooms
	Desktops	**60**	Includes Bldg 2 Lab
	Doc Cams	**12**	Instructional Classrooms
	Projectors	**22**	Some are being removed, recycled
	Ipads	**90**	Classrooms/teachers
SES	Laptops	**54**	Teachers and professional staff
	Chromebooks	**494**	8 per classroom, ESL, GT, Specials, SpEd
	Desktops	**53**	Includes 2 computer labs (B3 & B1)
	Doc Cameras	**27**	Instructional Classrooms
	Newline Boards	**50**	Teacher classrooms B1-19, B2-10, B3-21
	IPads	**88**	Classrooms, teachers
JH	Laptops	**48**	Teacher and professional staff
	Chromebooks	**587**	Chromebooks carts, ESL, ISS, electives, special programs, library
	Desktops	**71**	Includes two labs (Nicks, library)
	Doc Cams	**27**	Instructional Classrooms
	Newline Boards	**32**	Teacher classrooms and library
	IPads	**11**	Special Program, athletics
HS	Laptops	**57**	Teachers and professional staff
	Chromebooks	**557**	Chromebooks carts, ESL, DECA, electives, special programs, library

	Desktops	**190**	Includes 4 labs and the library, DECA
	Doc cameras	**24**	Instructional Classrooms
	Projectors	**27**	Classrooms, library
	IPads	**47**	Various classroom, programs
Device Totals			
	Laptops	**175**	Some additional inventory in Tech office
	Chromebooks	**1735**	Assigned to the campuses, most reside in carts; some reside in the Tech office, some still are "checked-out", a few missing, and some are EOL
	Desktops	**374**	Mostly in labs, some classes
	Doc cameras	**104**	Instructional tool in nearly all instructional classrooms
	Projectors	**49**	BP/HS only, phasing some out
	Newline Boards	**82**	SES and JH
	IPads	**236**	These devices are on the way out but still in use
All Devices	**2755**		

2020-21 Projects/Activities Highlights: Laptops to all teachers, Chromebooks to all instructional aides, nearly doubled device inventory for student use, added parking lot Wifi across SISD, upgraded all WAPs in HS, network servers virtually/physically backed-up (cybersecurity), upgraded main cafe/HS library presentation capabilities, added Wifi at bus barn/maintenance barn, upgraded all computers at Tiger/DAEP, checked-out 700+ devices, and setup of SES.

Summer and Future 2021-22 Projects/Activities: Replace two "host" servers in SISD network loop; add security cameras at SES, expand PA system at SES, exchange multiple switches at HS (ERATE project), re-wire projector feeds at HS, upgrade Board room/auditorium presentation capabilities, Upgrade CO network and Wifi, upgrade all desktops at HS to Windows 10.
