**MEETING DATE: October 9, 2024**

### SUMMARY

In collaboration with Mr. Hoffman we would respectfully propose that we allow the Veterans Memorial, proposed by Mr. Larry Quimby at the September board meeting, to be built at LHS on the grassy area immediately adjacent to the staff parking lot on the east side of the school. This location would allow better access to parking for those who want to visit the memorial and would limit the access to the full campus. Due to the location of the walking path, we already have patrons walking along the front of the campus next to our fence line. We do not believe the location being proposed would have a negative impact on the staff and students at LHS.

I reached out to Leon Duce with the City of Rathdrum to find out if there are any ordinances that we need to be aware of. He spoke with two council members and they indicated, **“that the City would help get things processed so that can happen.”**

I have also reached out to Megan for thoughts or guidance.
