Re: High School Principal Report July, 2018

Homedale Board of Trustees,

Summer is flying by as it always seems to do. We are in the midst of painting and getting the computer lab set up on the lower level of the main building in room 110 for Kristie Dorsey as she will be taking on our Computer Application courses. That same classroom will also be utilized for Senior project/Economics for one class period throughout the year as we have a student that is not able to access those classes up stairs. So the updating of that computer lab/classroom 110 is critical for us this coming school year. The front of the school definitely has a different look to it without the trees but it will be nice to be able to update the walk way there without roots coming in and breaking it up as it has in the past. We are also looking forward to having the security of the new fence off the main road to create a barrier from people being able to easily come on and off of our campus.

Current Enrollment-

We finished this past school year up 21 students from where we were in 2017. I am interested to see how much we increase this school year as we have already had some new families move into the area in the past couple of months. This year we don't have quite the increase in existing students like we did the previous year as the 2017 graduating class was one of the smaller classes we had seen. I am still thinking we will see an increase in students by about 10-15. If we see this increase we will be sitting close to 380 to start the school year.

June Events (Past Month)

June 5th/6th- PBIS Training 8:30 am – 4:00 pm

June 9th- ACT Test at HHS

June 4th/7th- Math Department Curriculum Review, MAP Review, Course Alignment

June 18th/19th- English Department Curriculum Review, MAP Review, Course Alignment

July/August Events (Upcoming)

August 6th- High School PBIS Leadership Team Meeting at HS

August 6th-8th – Registration for High School Students

August 6th- **Seniors** 10:00 am- 12:00 noon, **Juniors** 1:00 pm- 3:00 pm
