ATTENDANCE
COMMITTEES

The Board shall establish an attendance committee or as many committees as necessary for efficient implementation of Education Code 25.092.

The Superintendent or designee shall make the specific appointments in accordance with legal requirements.

PARENTAL NOTICE
OF EXCESSIVE
ABSENCES

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

METHODS FOR
REGAINING CREDIT

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit by submitting a written petition to the appropriate attendance committee.

Petitions for credit may be filed at any time the student receives notice but, in any event, no later than 30 days after the last day of classes.

The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit. The committee may also, whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered.

Students who have lost credit because of excessive absences may regain credit by fulfilling the requirements established by the attendance committee.

PERSONAL ILLNESS

When a student's absence for personal illness exceeds five consecutive days, the principal or attendance committee may require that the student present a statement from a physician or health clinic verifying the illness or condition that caused the student's extended absence from school as a condition of classifying the absence as one for which there are extenuating circumstances.

If a student has established a questionable pattern of absences, the principal or attendance committee may require that a student present a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances.
