Lee/Sansevere to approve Resolution Stating the Intention of the School Board to Issue General Obligation Refunding Bonds, Series 2021A and Taking Other Actions with Respect Thereto

BE IT RESOLVED By the School Board (the “Board”) of Independent School District No. 877(Buffalo-Hanover-Montrose) Hennepin and Wright Counties, Minnesota (the “District”) as follows:

1. Background. It is hereby determined and declared as follows:

(a) On March 21, 2012, the District issued its General Obligation Refunding Bonds, Series 2012A (the “Series 2012A Bonds”), in the original aggregate principal amount of \$31,215,000, pursuant to Minnesota Statutes, Chapter 475, as amended (the “Municipal Deb Act”), to achieve an advance crossover refunding of the 2014 through 2024 maturities of the \$42,400,000 General Obligation School Building Bonds, Series 2003B dated November 1, 2003, and the 2014 through 2018 maturities of the \$9,100,000 General Obligation Alternative Facilities Bonds, Series 2005A, dated December 1, 2005. The Series 2012A Bonds are currently outstanding in the principal amount of \$11,890,000 of which \$8,535,000 is currently subject to optional redemption and prepayment on February 1, 2022.

(b) The District is authorized by Section 475.67 of the Municipal Debt Act to issue and sell its general obligation bonds to refund outstanding bonds when determined by the Board to be necessary and desirable for the reduction of debt service costs of the District.

(c) The Board hereby finds and determines that it is necessary and desirable for the reduction of debt service costs to the District that the District issue its General Obligation School Building Refunding Bonds, Series 2021A, in the aggregate maximum principal amount of approximately \$8,635,000 (the “Bonds”), pursuant to the Municipal Debt Act, specifically Section 475.67, subdivision 3, of the Municipal Debt Act, to optionally redeem and prepay the Series 2012A Bonds.

2. Covenant as to State Credit Enhancement.

(a) The District hereby covenants and obligates itself to notify the Minnesota Commissioner of Education of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 (the “Credit Enhancement Act”) to guarantee payment of the principal and interest on the Bonds when due. The District further covenants to deposit with the paying agent for the Bonds (the “Paying Agent”), or any successor paying agent, three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Paying Agent is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds on deposit with the Paying Agent to make that payment. The District understands that as a result of its covenant to be bound by the provisions of the Credit Enhancement Act, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now and hereafter established by the Minnesota Departments of Management and Budget and Education pursuant to subdivision 2(c) of the Credit Enhancement Act and otherwise to take such actions as necessary to comply with that section. The Board Chair, Clerk, Treasurer, Superintendent, or Director of Finance and Operations of the District are authorized to execute any applicable Minnesota Department of Education forms.

3. Sale of Bonds. The Board has retained Ehlers and Associates, Inc. (the "Municipal Advisor"), to act as the District's independent municipal advisor and therefore it is authorized by Section 475.60, subdivision 2(9), of the Municipal Debt Act to sell the Bonds other than pursuant to a competitive sale.

4. Acceptance of Proposal. The Board shall meet at the time and place determined by the Board and specified in the Preliminary Official Statement prepared with respect to the offer and sale of the Bonds and to receive and consider proposals for the purchase of the Bonds and take any other appropriate action with respect to the Bonds.

5. Authority of Municipal Advisor. The Municipal Advisor is authorized and directed to assist the District in the preparation and dissemination of a Preliminary Official Statement and an Official Statement and to open, read, and tabulate the proposals for the purchase of the Bonds for presentation to the Board. B. 2021 Payable 2022 Levy Certification, Ryan Tangen, Director of Finance and Operations

Changes in enrollment are a major impact on our revenue. Decrease in enrollment last year was due to COVID. Lease levy is increasing due to high school tennis courts and our cooperative levies. There is also a decrease in the reemployment levy due to the increase in unemployment last school year. Change in property values also affects the budget. The current levy of \$19,699,775.53 is down \$433,774.54 from the prior year which is a 2.15% decrease. Actual tax decrease on a \$200,000 (\$210,000 value for this year), property would be about \$22 per year. Bond refunding will affect the final levy certification. Truth in Taxation hearing is scheduled for the December 13th Board Meeting.

6. REPORTS

A. ESSER III Funding, Ryan Tangen, Director of Finance and Operations

Due to a significant loss of student contact time during last year which directly affected

student learning, Federal funds are being provided under the American Rescue Plan with a funding source called Elementary and Secondary School Emergency Relief III (ESSER III). This is the third category of federal funding made available to school districts and is a one-time grant totaling \$1,567,128.91. The district plan focuses on providing a safe work and learning environment and additional staff above what student enrollment or the budget would justify. A requirement of the use of ESSER III funds is that 20% must be dedicated to learning recovery from lost student contact time due to Hybrid and Distance Learning. Funds are being used this year to retain 8.5 of the 15 teachers that would have been cut this year due to decreased enrollment. Funds will continue through September, 2025 and the plan is to retain staff throughout this time.

Public comment: comments about how the funds will be used and the sustainability. Application deadline is October 1, 2021.
