

Discussion of MOU between Ector County ISD and UTPB for Academic Dual Credit Fall 2019 – Summer 2020

Curriculum and Instruction and Career and Technical Education request the school board to discuss and approve the University of Texas Permian Basin Memorandum of Understanding (MOU) Academic Dual Credit for Fall 2019-Summer 2020.

The MOU will be in effect fall 2019 through summer 2020. Tuition costs for CTE dual credit hours are \$100 and ECISD utilizes state CTE funds to pay for the tuition. This is the first year ECISD and UTPB have partnered for the Teaching and Instruction Endorsement and we have approximately 35 students who have selected this pathway for 2019-2020 from both comprehensive high schools. This opportunity was made available to all eligible high school students.
