Dear Public Records Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), I am submitting a public records request for the following:

* The contract register, summary list, database export, or equivalent record maintained by the district that shows all contracts, agreements, OR purchase orders entered into during 2024 and 2025.

For each entry, I am requesting only the following fields (if available):

* Vendor / Contract name

* Total dollar amount

* Effective date and expiration date

I am not requesting full copies of the contracts themselves—only the compiled list or report that the

district already maintains for tracking purposes.

Please provide the records in a spreadsheet format (Excel or CSV, if available) or another electronic format that is easiest to produce.

If any portion of the requested record is exempt from disclosure, please provide the non-exempt portions and cite the specific statutory authority for the withheld material.

Please confirm receipt of this request and, if possible, provide an estimated timeline for when the records will be available.

Thank you for your time and assistance.
