

September 8, 2014

School Board Meeting

HS Principal Notes/Recap from Aug. 25

- **HS Student Count as of 9/8/14**
9th Grade – 46
10th Grade – 46
11th Grade – 54
12th Grade – 43
Total: 189
- **Implement HB5 Graduation Requirements for 2014-2015 Freshman Endorsements:**
STEM
Business and Industry
Public Services
Multidisciplinary Studies

The HS has 20 on-line classes available to students this year, as well as, classes already offered in the classroom to meet the HB5 Endorsement Criteria.

Two lab periods have been added to the master schedule so that students can take on-line courses that coincide with the endorsement path they have chosen.

- **Dual- Credit Courses Offered in 2014-2015:**
English 1301
English 1302
Government 2305
Government 2306
Probability & Statistics 1342
Probability & Statistics 1343
History 1301
History 1302
Speech 1315
Music Appreciation 1306
- **Carlisle students have the opportunity to earn 30 college credit hours before graduation.**
- **College Prep Math and College Prep English courses have been added as options for a student's 4th year math or English course. These courses are in conjunction with**

Kilgore College and they are designed to prepare students for the TSI College Entrance Exam. Hopefully offering these courses will reduce the number of students who have to take math and reading remediation courses their first year of college. We will administer the TSI Test twice this year (once each semester).

- Friday, Sept 12th, marks the end of the first 3 weeks. Every student will receive a progress report this year.
- The first 2 weeks of school were good. The only problems we have had were with technology. Our on-line classes are behind because they were locked due to AUP forms or certain websites were blocked. The Virtual School Spanish 3 students were unable to complete their orientation because of a blocked website. Hopefully these problems have been taken care of.
