

# December

## Greetings Evergreen Families,

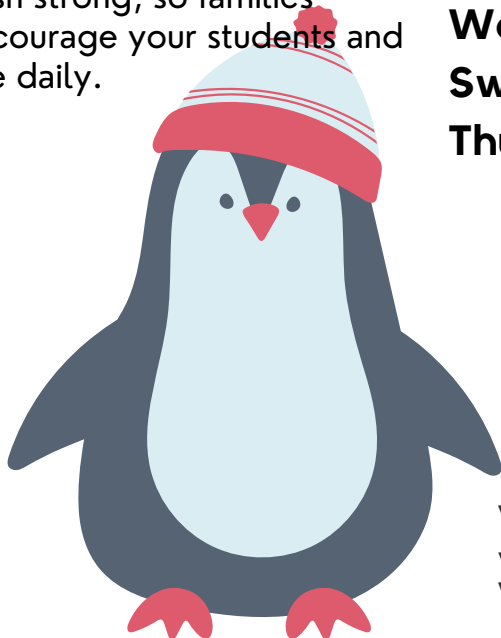

Greeting Evergreen Families,

With this chilly wet weather, there is the temptation to stay in bed a little longer. A polite reminder that many of our core subjects are in the morning, so a tardy greatly impacts instructional time. Thank you for getting your student in bed early to allow for plenty of sleep.

Our book fair is this month! Thank you to those who have volunteered to assist this year. It is greatly appreciated. Congratulations to Evan Williams and Elijah Hile for representing Evergreen in the District Spelling Bee. Elijah Hile took second for his division!

It is hard to believe that we will be returning from break to the last month of 2024. December is also a shorter month with the winter break. We want all students to finish strong, so families continue to encourage your students and have them here daily.

Sincerely,  
Jenny Mohr  
Principal

**NO SCHOOL**

**December 23rd thru  
January 5th.**

**School Resumes January  
6th**

**Silliness from the desk of  
Mrs. Jones**

What did the tree say after a long, cold  
winter?

What a re-leaf!
