Re: Update to Board Policy - Disposition of Real Property

On May 22, 2017, we first discussed with the Board a draft of changes to the District's Disposition of Real Property Policy. At that meeting, the Board discussed several changes to the proposed draft. I have completed their requested updates and would like to present the updated draft to the Board at the upcoming Committee of the Whole meeting scheduled for Monday, June 19, 2017. Please add this item to the agenda and feel free to contact me if you have any questions. Thank you.
