Golden Apple Nomination

Positive Representative

Kristy is a positive representative of the district by her ability to show her love and commitment to kids in my kindergarten class, EVERY day. She comes to school with a smile on her face and a great sense of humor. Kristy is kind, friendly and funny. She is always upbeat and happy to be at Roosevelt.

Positive Role Model

Kristy is a positive role model because of her unwavering dedication. She **volunteers** Monday-Friday from 8:50-12:00 and she NEVER misses a day. In addition to that, she volunteers in the library and her daughters' classrooms as well. She works in the lunchroom and goes "above and beyond" to help children with their money, spills and trash. This is a challenging job and yet she is able to remain positive and kind to everyone she encounters. Kristy does not gossip or repeat what she knows about student behavior. Her confidentiality is a quality we have learned to rely on at Roosevelt.

Innovative

Kristy is a problem solver. She has an ability to "fix things". For example, Kristy has created clever methods for tallying lunch count for the cook, working with an aging die cut machine, and managing messy materials in the classroom.

Self-Motivated

Kristy's motivation comes from her commitment to the kids. She truly loves them and it shows. She enjoys watching them grow and learn. She has an ability to celebrate and share in their successes as if she were a parent to each and every one.

Other Reasons

One of Kristy's greatest strengths is her humbleness. She does not seek any type of recognition for her efforts. She is self-sufficient and yet she never displays an assertive disposition. She has an ability to make appropriate choices and allow others the final decision.

I have observed Kristy comfort and clean up sick children, soothe tears over spilled milk, lost lunch money or separation, find missing items in lockers, classrooms and the office and run "emergency" errands for staff or parents when needed. She helps everyone on the staff.
