Facility Committee Recommendations

November 13, 2024

The following recommendations were agreed upon through consensus of community members, district employees, and trustees at the end of the meeting:

- Submit the HB521 Application to the Board of Approval for approval by the State Department of Education with funds to be used on priorities recommended by the Operations Director.
- Work with the Facility Committee to update the 10-year Plan submitted to the State Department of Education to move forward with projects to improve facilities.
- Close Priest River Junior High School for use beginning January 1, 2025.
- Explore reduction of district facility footprint with potential costs determined.

Administrative Notes:

- All recommendations are related and appropriate work assigned to the Facility Committee.
- Closing Priest River Junior High School will allow district to begin cost savings and a date of January 1, 2025, will allow time for the various sports group to work with the district athletic directors to schedule time for gymnasium use, no later than January 15, 2025.
