## ***PHS & MMS Activities & Athletics – Board Report - January – 2026***

### **SALT TEAM**

Currently on Meeting #3 for the Year!

### **PHS Basketball & Cheer**

Basketball & Cheer are almost halfway through their season. Home events about to get busy with lots of home events coming up!

### **MMS Wrestling**

Season is underway!

### **PHS & MMS NYO**

Begging February – Exact date TBA.

### **NIAAA National Conference**

Returned from the 2025 NADC Conference with great information to implement for the remainder of the year and next year! Looking to have more students take courses through our NFHS Learn Course and possible requirement for participation utilizing the Sportsmanship Course for Students. Would be a once-a-year course to participate in.

Was able to be part of the 2025 National Blue-Ribbon Panel with 5 other Athletic Directors from across the country. Our Blue-Ribbon panel information will be featured in the IAA (Interscholastic Athletic Administrators) Magazine in the spring of 2026.

Also, able to meet with Dr. Karissa L. Niehoff, who is the NFHS Chief Executive Officer and Leader of National High School Sports and Activities to discuss current state of High School Activities & Athletics and all the positive things it contributes to schools and communities.

### **Upcoming Home Events**

|                      |              |  |
