

**INDEPENDENT SCHOOL DISTRICT NO. 832  
STUDENT OVERNIGHT FIELD TRIP FORM**

**Title of Group:** AP Portfolio Students

**Title of Activity:** Columbia College Tour/Chicago Art Museum

**Trip Dates:** October, 2019 (Specific dates TBD)

**Number of Students:** 40

**Chaperones:** 4

**Purpose of Trip:** Students will tour Columbia College, the largest private art school in the country. We will also arrange for specific tours catered to areas such as 3D, technology and design such as photography and video production as well as traditional areas such as drawing, painting, and illustration. We will have 3 full sections of AP portfolio next year (Drawing, 2D Design, 3D Design). The purpose also aligns with our Art PLC goal of exposing students to post high school careers and school options.

**Trip Itinerary:** To be determined based on approval. In order to minimize school absences, we would leave early Thursday morning and return Saturday. While in Chicago, we will take a general tour of the Columbia College campus as well as break up into specialized tours by interest as well as visiting the Art Institute of Chicago, the Contemporary Photography Museum, and the Chicago Bean.

**How it is funded:** Families pay for the trip. We will be able to determine the cost for each student once dates are planned, hotels are reserved and bus cost estimate.

**Transportation:** We will be contracting a coach bus from Minnesota Coaches to travel to and from Chicago. While in Chicago, we will be walking to locations we visit due to their proximity.

**How students and families know about the code of conduct, etc:** How students and families know about code of conduct, etc.: An informational handout will be given to parents to sign along with a waiver of liability.
