Re: Policy updates FFC (Local) and FFG (Exhibit)

Updates to policy FFC (Local) and FFG (Exhibit) need to be approved to reflect a change in personnel and a redistribution of duties and responsibilities.

The following changes are requested for approval:

- FFC (Local): Student Welfare – Student Support Services
 - Change the name of the District homeless student liaison from Dr. Mechelle Bryson to Mr. Brad Hunt
- FFG (Exhibit): Student Welfare – Child Abuse and Neglect
 - Change the name of the District person to contact if there are questions about the District’s policies addressing child abuse or neglect from Dr. Mechelle Bryson to Mrs. Tabitha Branum
