Tupelo, MS

## Camp Descriptions

### Living in Pop Art (\$ 20 add'l fee)

Grades K-2 (June 1) Grades 2-4 (June 22), Teacher: Rose Anne Parker

We will learn all about Pop Art and some of the most famous artists from this era: Andy Warhol, Keith Haring, Roy Lichtenstein and Wayne Thieband. We will sketch, paint, mold and create our own phenomenal Pop Art.

### Mini Studios (\$ 20 add'l fee)

Grades 2-6, Teacher: Jamie Baker

Mini Studios is a different kind of art camp. Students will have the option of exploring and choosing the type of art they will create. Using drawing, painting, weaving, and clay, students will be immersed in the art world while making connections with the works of real artists!

### Scientific Secret Agents

Grades 4-6 (June 1) & Grades K-3 (June 22), Teacher: Sally Amos

Join our gang of secret agents as we discover the clues and unravel the mysteries of scientific phenomena. Marvel at Turning Milk to Stone, Frankenstein's Hand, and Vanishing Milk. Observe the spectacle of the Egg Bungee Jump, the Electric Spoon, and the Transformation of Fall Leaves! There is more to science than meets the eye in this fun-filled week of discovery.

### Discovery Goes On

Grades K-2, Teacher: Nancy Barrett

Are you ready for a journey of discovery? Learn about the Lewis and Clark Expedition. Join the Corps of Discovery as they embark on a journey through the Louisiana Territory. Campers will learn about the variety of plants and animals living throughout the country. They will encounter Indians along the way. Each day the students will participate in multiple-disciplinary activities focusing on the new discoveries by the Expedition.

### Center Stage

Grades 4-6 (June 8) Grades K-3 (June 15) Teacher: Sally Amos

Students will discover the magic that is theater! Involved in every aspect of putting on a play, budding thespians will be busy learning lines and songs, making props, blocking scenes, preparing costumes and working together to create magic! Come join us, spread your theater wings and perform!

### Journey to the Orient

Grades 4-6 (June 1) Grades 2-4 (June 8), Teacher: Sherry Willis

Come take a trip on the Oriental Express as we visit the lands of East Asia, China and Japan. Experience the wonders of Chinese art, literature and inventions that were created thousands of years ago! Research the Japanese language, culture, weather patterns and sea life (squid dissection). So pack your bags and purchase your passport as we travel to the Orient!

### Games People Play

Grades 2-4 Teacher: Mitzi Nasce

Come play with us in this fun-filled educational camp all about the origin and history of games. Campers will enjoy playing games as well as making some of their own.

### Surf City

Grades 4-6 Teacher: Marrion Winders

Come ready to surf the net in this action-packed, information-rich, skill-building camp! Participants will enter the world of technology through webquests, scavenger hunts, and power points while learning about digital photography, computer imagery, and more! A student-created "Summer Camp Newsletter" will be distributed to all campers. Come join the fun in this journey through Surf City!

### Passport Frenzy

Grades 2-4, Teachers: Dana Maharrey/Amy Carter

We are in a real state of frenzy! Preparations have already been made. The plane tickets are paid for and booked, and the hotel rooms are reserved. If you have not already applied for your passport, you might miss this unique opportunity to encounter five different countries in just five days! Students are provided the opportunity to experience customs, culture and traditions through preparing foods, creating art, and playing games native to each country.

### Around the World in 5 Days

Grades K-2, Teacher: Nancy Barrett

Pack your bags and join us as we travel around the world in 5 days without leaving the camp! Students will "fly" around the globe and learn about the exciting adventures in the Pride Lands of Africa, the Coral Reef of Australia, India, Mexico, China, and the wild west of the United States. Each day the students will participate in multiple disciplinary activities that focus on each destination.
