**DATE:** February 13, 2018

---

We are required by the Texas Education Agency to notify them of our intent to seek access to benefits under Senate Bill 1882 by February 15, 2018. While we do not have to commit to whom we are partnering and we may determine later not to partner with anyone, we must submit the attached Letter of Intent to keep this option open.

It is recommended that the Board of Trustees approve notification of the Texas Education Agency that the District may enter into a Contract with a Third Party on Improvement Required School or Schools as presented.

Respectfully submitted,

**Tom Crowe**
