### **Subject: Proposal for Latinx Heritage Club**

Dear Mrs. Wilson and Ms. Dejesus,

I am writing to submit a proposal for the creation of the Latinx Heritage Club at Middletown High School. Below, I have outlined the required information as part of the first step in the approval process.

Sincerely,

Yadiel Rodriguez

#### **Club Name:**

Latinx Heritage Club

#### **Purpose/Mission:**

The Latinx Heritage Club at Middletown High School is a vibrant and inclusive space where students come together to celebrate and explore the richness of Latinx culture and heritage. Open to all students, the club welcomes anyone eager to learn about Latin America's diverse traditions, whether they are of Latinx descent or simply have an interest in discovering more about this dynamic culture.

Through engaging activities, members experience the music, games, dance, food, and customs that define Latinx communities, fostering a deeper appreciation and understanding of these traditions.

The club also provides a supportive environment for new students, helping them adapt to school life and improve their English skills through interactive and fun peer-led activities. By promoting cultural exchange and building connections among students of all backgrounds, the Latinx Heritage Club encourages a sense of community, respect, and shared learning. Whether you're looking to celebrate your heritage, enhance your knowledge, or make new friends, the Latinx Heritage Club is the perfect place to grow, learn, and connect. ¡Bienvenidos!
