

Bylaws of the Board

School Board Legislative Program

The Board of Education, as an agent of the state, must operate within the bounds of the state and federal law affecting public education. If the Board is to meet its responsibilities to the residents and students of the community, it must work vigorously for the passage of new laws designed to advance the cause of good schools and for the repeal or modification of existing laws that impede this cause. To this end:

The Board will keep itself informed of pending legislation and actively communicate its concerns and make its position known to elected representatives at both the state and national level.

Bylaw adopted by the Board: June 23, 1999
Bylaw readopted: May 3, 2007
