**Date of Board Meeting:** September 20, 2022

**Subject:** Out-of-District Fees Increase

**Recommendation:** Approve increasing Out-of-District Fees from \$51/semester hour to \$56/semester hour to all out-of-district students except Dual Credit Students, effective with the Spring 2023 semester.

**Background and Rationale:** During the budget workshops and at the time of FY23 budget approval, the budget was predicated on the increase of out-of-district fees from \$51/semester hour to \$56/semester hour to all out-of-district students except dual credit students. This increase will take effect with the Spring 2023 semester. Last fiscal year we taught a total of 45,500 during the Spring and Summer semesters, so it is estimated that the increase will generate an additional \$227,500 for the FY23 year.

**Cost and Budgetary Support:** \$227,500 in additional Unrestricted revenues
