Denton ISD Proposed Legislative Resolutions & Priorities for the TASB Advocacy Agenda

Background Information:

TASB calls upon Boards to submit new Advocacy Resolutions to be included in the 2024-2026 Advocacy Agenda. These resolutions will help guide TASB in their response to issues that may come before the Legislature and other governmental entities.

Purpose of Report:

The purpose of this report is to provide an opportunity to the Board of Trustees to submit resolutions to be included in the upcoming TASB Advocacy Agenda. As the District continues to advocate for improved and sustainable funding of the school finance system as well as sensible accountability for all Texas schools that receive public funds, we recognize the power of a unified voice and the critical intertwining of supportive organizations in advocating for policies that directly impact our staff, students, families, and community.

Objectives:

The board bi-annually discusses and adopts resolutions for submission to the TASB Advocacy Agenda. The call for resolutions runs from March 15, 2024, until 11:59 p.m. on June 15, 2024. Proposed resolutions are first reviewed by the TASB Resolutions Committee and then by the TASB Board. In September, the Delegate Assembly will adopt approved resolutions.

Operational Impact:

None noted.

Results:

Unified collaboration in our partnership with the Texas Association of School Boards as we advocate for legislation which supports the communities of the Denton Independent School District.
