Community Spotlight

Each year the Texas Association of School Boards (TASB) honors businesses and organizations for their support and exceptional advocacy of local schools. This state-wide honor, as part of “Stand Up for Texas Public Schools,” recognizes local businesses and community organizations who partner with districts, making a difference in the lives of local public-school students.

Our partnership with Best Western Premier Crown Chase Inn & Suites has been one of support and philanthropy. This locally owned and operated organization goes above and beyond to honor our staff members with a “Stay-cation.”

At a time when support for our classroom teachers is needed more than ever, Zach and Monica Glenn have singlehandedly identified a need and provided a solution. Their gift goes a long way in helping our outstanding educators feel special and valued by our local business community.

Monica Glenn will be on hand to accept this award.
