## North East Independent School District Introduction to School FIRST For the Year Ended June 30, 2024

The Texas Education Agency (TEA) has issued the School Financial Integrity Rating System of Texas (FIRST) ratings for fiscal year 2023-2024, which ended June 30, 2024. North East Independent School District (NEISD) has received a rating of “A” for “Superior Achievement.”

The School FIRST rating system was implemented in 1999 by the Texas Education Agency in response to Senate Bill 875 of the 76<sup>th</sup> Texas Legislature. The primary goal of School FIRST is to achieve quality performance in the management of school districts’ financial resources, a goal made more significant due to the complexity of accounting associated with Texas’ school finance system. The School FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, with the highest being “A” for “Superior Achievement,” followed by “B” for “Above Standard Achievement,” “C” for “Meets Standard Achievement” and the lowest being “F” for “Substandard Achievement.”

Indicators one through four are pass/fail indicators; they must be passed to earn a rating above “F” for “Substandard Achievement.” Indicator ten is not being scored this year. Indicators four, five, six, sixteen, seventeen, twenty and twenty-one are ceiling indicators that limit the maximum number of points that a district can earn. The remaining indicators are scored on a sliding scale from zero to ten. To earn a rating of “A” for “Superior Achievement,” a district must earn a minimum of 90. The maximum possible points earned is 100 points. NEISD earned a score of 96 for the current submission.

The ratings for NEISD are available on the NEISD Web site at the following address:  
<https://www.neisd.net/Departments/Finance--Accounting/Accounting/Financial-Integrity-Rating-System-of-Texas-Reports-Schools-FIRST/>

TEA maintains the listing for all school districts and the state as a whole at the following Web site:  
<https://tealprod.tea.state.tx.us/First/forms/Main.aspx>

The website lists school districts by their County-District number. NEISD’s County-District number is 015910.

# North East Independent School District School FIRST Indicators & Results

1. **Was the Annual Comprehensive Financial Report (ACFR) and data submitted to the TEA within 30 days of the November 27 deadline based on the school district's fiscal year end date of June 30?**

A simple indicator. Was the ACFR filed by the deadline?

**NEISD Result:**

ACFR filed timely every year.

2. **Was there an unmodified opinion in the ACFR on the financial statements as a whole?**

A "qualification" on your financial report means that a district needs to correct some of its reporting or financial controls. A district's goal, therefore, is to receive an "unmodified opinion" on its ACFR. This is a simple "Yes" or "No" indicator.

**NEISD Result:**

Yes - Unmodified opinion every year

3. **Was the school district in compliance with the payment terms of all debt agreements at fiscal year end?**

**NEISD Result:**

The District had made all required payments on its debt agreements.

4. **Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies?**

**NEISD Result:**

The District made timely payments.  
Indicator passed; ceiling not triggered.

5. **Was the Total Unrestricted Net Position Balance (Net of the Accretion of Interest for Capital Appreciation Bonds) in the Governmental Activities Column in the Statement of Net Position greater than zero? (If the school district's change of students in membership over 5 years was 7 percent or more, then the school district passes this indicator.)**

This indicator measures whether a district has more assets than liabilities. It focuses on unrestricted net position, which removes the effect of large debt issuances on fast growing districts' net assets. If a school district has negative unrestricted net position but has a 7% increase in enrollment over a five year period, this indicator is answered yes.

**NEISD Result:**

Yes: \$407,521,302 > 0  
Indicator passed; ceiling not triggered.

- 16. Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's ACFR result in a total variance of less than 3 percent of all expenditures by function?**

This indicator measures the quality of data reported to PEIMS and in the ACFR to make certain that the data reported in each case "matches up." If the difference in numbers reported in any fund type is more than 3%, the district "fails" this measure.

A clean audit of the ACFR would state that the district has no material weaknesses in internal controls. Any internal weaknesses create a risk of NEISD not being able to properly account for its use of public funds and should be immediately addressed.

**NEISD Result:**

No material weaknesses in any fiscal year.

Indicator passed; ceiling not triggered.
