

Dear School Board,

We're looking forward to having another teacher at Big Sky.

Attendance at Big Sky in January was 98.79%. 18 of the 23 students had perfect attendance. At Glendale School the attendance rate in January was 98.37% with 13 of 17 students having perfect attendance. The playground at Big Sky is almost done. Students are really excited to be able to use it.

Thanks,
Natasha Siliezar, Principal at Glendale and Big Schools
