RE: CHS Course Offering Handbook, 2025-2026 Updates

The Chelsea High School Course Offerings handbook is updated every year to reflect changes in our curriculum, graduation requirements and course selections. This handbook is designed to serve as a guide for students and parents in selecting courses for the upcoming year. The process of selecting courses for the 2025-2026 school year will begin near the end of January, 2025.

Here are the changes/updates to the Course Offerings booklet for the 2025-2026 school year:

- **Page 13 & 23** Grade 11 Basic path: change Physics B to Physics A
- **Page 16** American Literature: course name change to English 11; College Prep English: course name change to English 12 and course description change
- **Page 17** Debate: remove course offering
- **Page 18** Journalism: course description change
- **Page 24** Biology 1: course description change; Physics: course description change
- **Page 25** AP Physics 1: course description change
- **Page 29** U.S. History: course description change
- **Page 31** Women in History: course description change
