

SUBJECT:	Consideration and possible revision of BDAA (LOCAL) Officers and Officials Duties and requirements of Board Officers.
BACKGROUND:	Recommended revisions to this policy include removal of a sentence at the beginning of the policy stating that the Board may assign a district employee to provide clerical assistance. The superintendent, rather than the board, manages staff assignments, including providing support to the Board.
FINANCIAL IMPLICATIONS:	None.
RECOMMENDATION:	We recommend the approval of revisions to BDAA (LOCAL) Officers and Officials Duties and requirements of Board Officers.
