

Superintendent Search

Background:

In June of 2023, The Belmond-Klemme Board of Directors hired EDWise to perform a search for an interim superintendent. The Board conducted interviews and hired Chris Bergman as an interim superintendent. EDWise presented the board with a quote to perform a full-length search in December of 2023.

There was a \$1,000.00 discount for hiring an interim superintendent.

The full search to hire a new superintendent in the proposal is \$9,700.00. (With the \$1000.00 discount.)

The full search to hire new superintendent plus follow up (budget mentoring, entry plan, and goal setting) in proposal will cost \$10,950.00. (With the \$1,000.00 discount.)

Recommendation:

I recommend that the Board decides whether to perform the full search with or without follow up, and accept the proposal from EDWise.
