

Proposed 2017 Alamo Bowl Trip

Breakdown of price per student

Amount:	Pays for:	Responsibility:
\$442	Hotel, all performances and rehearsals, 4 meals	Student
\$125	Transportation	*School Budget
\$233	Event tickets, remainder of meals	**Boosters/Student
\$800	Total price per student	

*Estimated price of \$7000 based on 56 pax bus @\$125/student.

Even if fewer than 56 students attend, the bus price does not change. If the school budget can accommodate the cost of the bus, then students attending will not be assessed a higher fee to cover transportation. If the school budget cannot cover the bus, then students going might suffer an increase of their trip fee. Conversely, if more than 56 students sign-up for the trip, additional transportation fees will be the result. If that happens, the option of a larger bus or two smaller buses would need to be investigated.

**The Boosters will be able to donate to cover some of the expense of the trip. The exact amount they could cover is not known at this time, but will depend on the success of already planned fundraising events as well as future events.
