

Lincolnshire-Prairie View School District 103

Memo

Re: Early Childhood (EC) Fees 2026-2027

Following the discussion at the October 14th board meeting. Administration recommends using CPI (2.9%) to increase the EC fees, as this aligns with the increase that will be used for the upcoming Tax Levy. The result would put the cost of the district's Community Peer half-day EC program at \$4,469 and the full-day EC program at \$8,938 for the 2026-2027 school year. Transportation would remain at \$400 for those electing busing.
