Viking Way Proclamation

CITY OF
EST. 1881
NORTH BRANCH

City of North Branch
Proclamation on Community Support
for North Branch Area Public Schools by Designating
Viking Way

Whereas the City of North Branch desires to support the North Branch Area Public School District's mission to inspire dreams, build integrity, and instill hope; and

Whereas the City of North Branch would like to build on the community's enthusiasm for the North Branch School's identity as the Vikings.

Now therefore be it resolved that the City of North Branch desires to create an additional street vanity name of "Viking Way" along Grand Avenue from Highway 95 south to 376th Street which is the community's primary road to the North Branch Area School District's campus with the following conditions:

1. The City will order the proper street signs to meet the MnDOT Standard Signs and Markings (MUTCD).
2. The City will install the signs to ensure proper pole location and intersection line of site.
3. The **Viking Way** street signs will have a red background with white lettering.
4. The School District, or its sponsor, will pay the cost of the signs and future replacements when needed.

Proclaimed this 8th day of October 2024 by the North Branch City Council.

Last Friday, high school students Floral Design class at the Norse Area Learning Center took a wonderful field trip to Evergreen Oasis Farm! Students had the chance to learn firsthand about flower production, from seed to bloom. They toured the beautiful gardens, soaking in the knowledge of how flowers are grown, harvested, and prepared for floral arrangements. Best part? Everyone got to pick their own stunning bouquets to bring home!

A huge thank you to Evergreen Oasis for hosting our students!

NBAMS 7th grade art students created a food-themed, layered paper collage project. They had the option of collaborating with local North Branch sports bar and grill, Tailgaters, to choose items inspired by their menu. Art teacher, Lee Ann Falen, shared how this project emphasizes depth through the process of layering paper pieces over one another. Students have to consider the color, shape and size of the pieces and plan out which order they will be placed in to create the layers needed. Fifteen of these projects are currently displayed on the wall at Tailgaters in North Branch! To add a customized touch, the blue and white checkered sheets pictured are the actual liners used at the restaurant.
