

Denton ISD Code of Conduct

2024 Workshop Discussion

Addition to Code of Conduct Glossary

Telecommunications devices are devices that allow for electronic communications and the electronic exchange of data and information including voice, data, and video. Examples include, but are not limited to, computers, cell phones, smart phones, telephones, mobile devices, wireless devices, tablets, smart watches, laptops or any other electronic devices **and related accessories (including but not limited to wires, headphones/airpods, and ear clips)** that transmits, receives or stores digital media.

Recommendation

- Broader definition of electronic device
- Education Campaign
