PARENT NIGHT UPDATE

Strategic Development Plan
Goals and Beliefs

GOAL #2:

The District will ***provide a student centered and personalized learning environment*** that promotes innovation, creativity, choice, independence, growth and student ownership

WE BELIEVE THAT:

❖ All students can learn and it is the responsibility of our school system to provide the supports needed to reach high standards and success.

❖ Academic skills must meet the expectations of the CT Core Standards. The skills and attributes needed for success in the 21st century include critical thinking, collaboration, creativity, curiosity, problem solving and citizenship.

❖ Meeting academic, artistic, behavioral, social, emotional and physical needs is essential in educating the whole child.

Professional Learning Community
Meeting the needs of *All* students

➢Viable curriculum, high quality instruction and programs

➢Use of data to inform instruction

➢Differentiated instruction for all students
  ➢Team collaboration and sharing of strategies
  ➢Meet the needs of struggling students
  ➢Meet the needs of our early mastery and gifted students
  ➢Enrichment for all

Key Areas

➢ Differentiated classroom instruction

➢ School-Wide Enrichment Initiatives

➢ Before/After /During School Enrichment Activities

➢ Talented and Gifted (TAG) Programming and Identification

➢ PA 17-82 Connecticut's Talented and Gifted Law
  ➢ *Identification Required; Programming not Required*

Moving to a model that serves *All* students

The School-Wide Enrichment Model – Serving *All* Students

➤ Recognizing the giftedness, talents and interests of <u>all</u> students

➤ Choice, interests, challenge, 3 "E's" (engagement, enjoyment and enthusiasm in learning)

➤ Student choice develops strengths, interests, talents, ownership

➤ Deeper long-term learning projects guided by powerful questions

➤ Supports/strengthens classroom skills/attributes

➤ Broad range of enrichment experiences; multiple intelligences

➤ Infusion of enrichment pedagogy into the classroom

➤ Effective in providing challenge to early mastery/gifted students
