Background Information and Rationale:

The District Educational Improvement Committee (DEIC) met to create the 2025-2026 academic calendar. Three calendars were created that include TEA requirements of instructional minutes of at least 75, 600 minutes and reflect the feedback from staff and community. DEIC chose two of the three calendar options that will be sent to the community for a vote.

A survey with the two calendar choices will be sent to staff and community on December 17-January 6 to vote for their preferred calendar.

The Calendar with the most votes will be presented at the January Board meeting for approval.
