CISD Board Agenda Item Synopsis

Subject: Consider Approval of STEMscopes Math Supplemental Material

Background Information: CISD administration is presenting and recommending approval of STEMscopes supplemental materials for math instruction on the elementary level. Because the cost of these materials is greater than \$50,000.00, the administration is required to seek Board approval, per Board Policy. STEMscopes is a comprehensive suite of results-oriented STEM curriculum and professional development solutions used by more than 8 million students and 600,000 teachers across all 50 states. Created by educators for educators, STEMscopes is highly adaptable, affordable, and supports instruction in any kind of learning environment.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:

\$57,216.00

Recommendation:

The District recommendation is for the Members of the Board to approve the STEMscopes Math Supplemental Material Bid as presented.
