Early Childhood Screenings

We currently collaborate with Horizon Public Health to conduct Early Childhood Screenings. This partnership has allowed us to screen Morris Area students on multiple days at a reduced cost to our District. Our next screening dates are set for Wednesday, April 8 and Tuesday, May 5.

Early Childhood Opportunities

The Stevens County Early Childhood Initiative Family Dance is scheduled for Friday, February 27.

The Stevens County Early Childhood Initiative Movie Night is scheduled for Tuesday, March 17.

Stevens County Early Childhood Initiative (ECI):

Funding for our ECI comes through the West Central Initiative. Funding and support for ECIs will come to an end on June 30, 2026.

We are working with the WCI and other counties to create a path forward.

Adult Enrichment Opportunity

Our 55+ refresher course continues to be an overwhelming success. We had 58 registrations for the September class and are currently at 35 registrations for the class on January 26. Thank you, Mary Holmberg, for teaching this class.
