The chief appraiser must prepare a ballot before Oct. 30 with candidates whose names were timely submitted, including the nominee of conservation and reclamation districts if applicable.²⁴ Each taxing unit entitled to vote must determine its vote by resolution and submit it to the chief appraiser before Dec.

15.²⁵ The five candidates who receive the largest cumulative vote totals become the board of directors.²⁶ The chief appraiser announces the new directors before Dec. 31.²⁷ Ties must be resolved by the chief appraiser by any method of chance.²⁸

Both the board of directors and taxing units may propose to change the method or procedure for appointing directors.²⁹ If the board of directors makes the proposal, then a voting taxing unit may veto the proposal by filing a resolution before Sept. 1.³⁰ If a participating taxing unit proposes a change, the change is adopted if three-fourths of the voting taxing units adopt resolutions providing for the change.³¹ A resolution to change the method or procedure for appointing directors must be filed with the chief appraiser after June 30 and before

Oct. 1 of a year in which members are appointed, or the resolution is ineffective.³²

Throughout the selection process, the Tax Code specifies dates for action by the chief appraiser and the taxing units. The dates provided in Tax Code Section 6.03(f) and (g) are directory and not mandatory.³³ However, the advice of legal counsel should be obtained in such situations.

Eligibility: To be eligible to serve on a board of directors, an individual must be a resident of the CAD and must have resided in the CAD for at least two years immediately preceding the date of taking office.³⁴ This residency requirement does not apply to a county TAC serving as a nonvoting director.³⁵

An employee of a taxing unit that participates in the CAD is not eligible to serve on the board of directors, unless that individual also is a member of the governing body of the taxing unit or an elected official of a taxing unit.³⁶ Membership on the governing body of a taxing unit does not make an otherwise eligible individual ineligible to serve on the board of directors.³⁷

Owing delinquent property taxes disqualifies a person from serving on the CAD board of directors.³⁸ The person is ineligible if he or she owns property on which delinquent property taxes have been owed for more than 60 days after the date the person knew or should have known of the delinquency.³⁹ This disqualification does not apply if the person is paying the delinquent taxes and any penalties and interest under an installment payment agreement or has deferred or abated a suit to collect the delinquent taxes.⁴⁰

A person who has appraised property for compensation for use in proceedings or represented property owners for compensation in proceedings in the CAD at any time within the preceding five years is ineligible to serve on the board of directors.⁴¹

I, Dr. Hector Alvarez, Secretary of the Board of Trustees of Eagle Pass Independent School District, do hereby certify that the foregoing is a true and correct copy of Resolution 2015/16-05 presented in written form and passed by a majority vote of the Board of Trustees at the meeting duly posted and noticed under the Texas Open Meetings Act and held on OCTOBER 13, 2015.

WITNESS MY HAND this the 13TH day of October, 2015.

Secretary, Board of Trustees
Eagle Pass Independent School District

SUBSCRIBED AND SWORN TO AND BEFORE ME this _____ day of October, 2015.

Notary Public
Eagle Pass, Maverick County, Texas.

Sec. 6.03. Board of Directors.

- (a) The appraisal district is governed by a board of directors. Five directors are appointed by the taxing units that participate in the district as provided by this section. If the county assessor-collector is not appointed to the board, the county assessor-collector serves as a nonvoting director. The county assessor-collector is ineligible to serve if the board enters into a contract under Section 6.05(b) or if the commissioners court of the county enters into a contract under Section 6.24(b). To be eligible to serve on the board of directors, an individual other than a county assessor-collector serving as a nonvoting director must be a resident of the district and must have resided in the district for at least two years immediately preceding the date the individual takes office. An individual who is otherwise eligible to serve on the board is not ineligible because of membership on the governing body of a taxing unit. An employee of a taxing unit that participates in the district is not eligible to serve on the board unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the district.
- (b) Members of the board of directors other than a county assessor-collector serving as a nonvoting director serve two-year terms beginning on January 1 of even-numbered years.
- (c) Members of the board of directors other than a county assessor-collector serving as a nonvoting director are appointed by vote of the governing bodies of the incorporated cities and towns, the school districts, and, if entitled to vote, the conservation and reclamation districts that participate in the district and of the county. A governing body may cast all its votes for one candidate or distribute them among candidates for any number of directorships. Conservation and reclamation districts are not entitled to vote unless at least one conservation and reclamation district in the district delivers to the chief appraiser a written request to nominate and vote on the board of directors by June 1 of each odd-numbered year. On receipt of a request, the chief appraiser shall certify a list by June 15 of all eligible conservation and reclamation districts that are imposing taxes and that participate in the district.
- (d) The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district.
- (e) The chief appraiser shall calculate the number of votes to which each taxing unit other than a conservation and reclamation district is entitled and shall deliver

written notice to each of those units of its voting entitlement before October 1 of each odd-numbered year. The chief appraiser shall deliver the notice:

(1) to the county judge and each commissioner of the county served by the appraisal district the county judge and each commissioner of the county served by the appraisal district;

(2) to the presiding officer of the governing body of each city or town participating in the appraisal district, to the city manager of each city or town having a city manager, and to the city secretary or clerk, if there is one, of each city or town that does not have a city manager; and

(3) to the presiding officer of the governing body of each school district participating in the district and to the superintendent of those school districts.

(f) The chief appraiser shall calculate the number of votes to which each conservation and reclamation district entitled to vote for district directors is entitled and shall deliver written notice to the presiding officer of each conservation and reclamation district of its voting entitlement and right to nominate a person to serve as a director of the district before July 1 of each odd-numbered year.

(g) Each taxing unit other than a conservation and reclamation district that is entitled to vote may nominate by resolution adopted by its governing body one candidate for each position to be filled on the board of directors. The presiding officer of the governing body of the unit shall submit the names of the unit's nominees to the chief appraiser before October 15.

(h) Each conservation and reclamation district entitled to vote may nominate by resolution adopted by its governing body one candidate for the district's board of directors. The presiding officer of the conservation and reclamation district's governing body shall submit the name of the district's nominee to the chief appraiser before July 15 of each odd-numbered year. Before August 1, the chief appraiser shall prepare a nominating ballot, listing all the nominees of conservation and reclamation districts alphabetically by surname, and shall deliver a copy of the nominating ballot to the presiding officer of the board of directors of each district. The board of directors of each district shall determine its vote by resolution and submit it to the chief appraiser before August 15. The nominee on the ballot with the most votes is the nominee of the conservation and reclamation districts in the appraisal district if the nominee received more than 10 percent of the votes entitled to be cast by all of the conservation and reclamation districts in the appraisal district, and shall be named on the ballot with the candidates nominated by the other taxing units. The chief appraiser shall resolve a tie vote by any method of chance.

(i) If no nominee of the conservation and reclamation districts receives more than 10 percent of the votes entitled to be cast under Subsection (h), the chief

appraiser, before September 1, shall notify the presiding officer of the board of directors of each conservation and reclamation district of the failure to select a nominee. Each conservation and reclamation district may submit a nominee by September 15 to the chief appraiser as provided by Subsection (h). The chief appraiser shall submit a second nominating ballot by October 1 to the conservation and reclamation districts as provided by Subsection (h). The conservation and reclamation districts shall submit their votes for nomination before October 15 as provided by Subsection (h). The nominee on the second nominating ballot with the most votes is the nominee of the conservation and reclamation districts in the appraisal district and shall be named on the ballot with the candidates nominated by the other taxing units. The chief appraiser shall resolve a tie vote by any method of chance.

(j) Before October 30, the chief appraiser shall prepare a ballot, listing the candidates whose names were timely submitted under Subsections (g) and, if applicable, (h) or (i) alphabetically according to the first letter in each candidate's surname, and shall deliver a copy of the ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote.

(k) The governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser before December 15. The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before December 31 to the governing body of each taxing unit in the district and to the candidates. For purposes of determining the number of votes received by the candidates, the candidate receiving the most votes of the conservation and reclamation districts is considered to have received all of the votes cast by conservation and reclamation districts and the other candidates are considered not to have received any votes of the conservation and reclamation districts. The chief appraiser shall resolve a tie vote by any method of chance.

(l) If a vacancy occurs on the board of directors other than a vacancy in the position held by a county assessor-collector serving as a nonvoting director, each taxing unit that is entitled to vote by this section may nominate by resolution adopted by its governing body a candidate to fill the vacancy. The unit shall submit the name of its nominee to the chief appraiser within 45 days after notification from the board of directors of the existence of the vacancy, and the chief appraiser shall prepare and deliver to the board of directors within the next five days a list of the nominees. The board of directors shall elect by majority vote of its members one of the nominees to fill the vacancy.

(m) If a school district participates in an appraisal district in which the only property of the school district located in the appraisal district is property annexed to the school district under Subchapter C or G, Chapter 41, Education Code, an individual who does not meet the residency requirements of Subsection (a) is eligible to be appointed to the board of directors of the appraisal district if:

(1) the individual is a resident of the school district; and

(2) the individual is nominated as a candidate for the board of directors by the school district or, if the taxing units have adopted a change in the method of appointing board members that does not require a nomination, the school district appoints or participates in the appointment of the individual.

Notes:

A municipal utility district may not challenge the constitutionality of Sec. 6.03(c), (d), (f), (h), and (i) on equal protection and due process grounds as those rights vest in persons only. Even if individuals joined in a suit with a MUD are considered persons, not district directors, the personal rights of equal protection and due process are not infringed by the Property Tax Code. *Colony Municipal Utility District No. 1 of Denton County v. Appraisal District of Denton County*, 626 S.W.2d 930 (Tex. App.-Denton 1982, writ ref'd n.r.e.).

Under the provisions of Tax Code Sections 6.03(a) and 6.04(a), an assessor-collector who is a nonvoting member of an appraisal district board is counted in determining the presence of a quorum. Such individual may in turn serve as chairman or secretary of the board. An appraisal district board may determine by rule whether to permit the assessor-collector to make and second motions. Attorney General Opinion DM-160 (1992) is overruled to the extent that it conflicts with this conclusion. Op. Tex. Att'y Gen. No. JC-0580 (2002).

The common law doctrine of incompatibility does not bar a director of an appraisal district from contracting under Sec. 6.30 of the tax code with a local political subdivision to collect its delinquent taxes. An attorney who has contracted with a taxing unit to collect its delinquent taxes is not an "employee" under Sec. 6.03. Op. Tex. Att'y Gen. No. JM-1060 (1989). Section 6.036, however, would bar an attorney who collects delinquent taxes for a taxing unit from serving on the board of directors.

The procedure for selecting members of appraisal district boards of directors is not governed by the Texas Election Code. Dates set out in Sec. 6.03(f) and (g) are directory and not mandatory. A written communication concerning votes of the taxing unit must be submitted to the county clerk. The county clerk has neither duty nor authority to determine nominees' qualifications. A unit may not cast its voting entitlement for a person other than one nominated and named on the ballot, and the county clerk lacks authority to include any such vote in declaring election results. Op. Tex. Att'y Gen. No. JM-166 (1984).

The first election for board of directors of a property tax appraisal district should be held in Fall 1979, and incorporated villages may participate in the election. A county clerk has no authority to require taxing units to provide information on their tax collection and related matters to determine

voting entitlement. The State Property Tax Board lacks authority to make rules clarifying the procedure for electing the appraisal district board of directors. The Harris County Board of School Trustees is not eligible to vote for directors of the appraisal district nor are community junior colleges eligible Tex. Att'y Gen. No. MW-126 (1980).
