Re: Request for Approval for an Expenditure over \$75,000

Pursuant of CH (Local), provision whereby any single item over \$75,000 must have Board approval, regardless of whether the goods or services are competitively bid. Currently we have a vendor, Tyler Technologies, which will have a total expenditure over \$75,000.

Munis, the financial management system utilized by Alvin ISD, is from Tyler Technologies. We are within the 7 year contracted service period, (agreed upon in 2015) with a yearly cost of approximately 158,000.00 for Munis support and application software maintenance.

The following funds will be utilized to facilitate the purchase of new items:

Account	Amount
199-53-6299-0220-999-99-0-515-0	158,000.00
Total	\$158,000.00
