Haines and Friends Visual Arts Grant Program is a locally funded program that offers grants to artists and at educators in Southern Oregon. I learned about this grant through my time at Southern Oregon University.

\$4,850.00 for the art program to purchase materials and equipment and supplies for IVHS the art department. These funds offer the opportunity for the art department to create more opportunities for students to try different art mediums and projects.

Not receiving this funding will keep IVHS art department from purchasing the needed supplies to expand the program and provide ample opportunities for students.
