**RE:** Food Service – Renewal of Intergovernmental Agreement with District 200

**DATE:** April 24, 2011

At its May 15, 2007 meeting, the Board of Education of Oak Park District 97 entered into an intergovernmental agreement with Oak Park River Forest High School for the provision of “cafeteria service and school meals for students attending its school facilities for the 2007-08, 2008-09, 2009-10, and 2010-11 school years. At its May 24, 2011 meeting, the Board of Education extended that agreement for an additional school year (2011-12) and, over the course of late fall/early spring of this school year, I was to explore other competitive opportunities for the provision of freshly prepared daily meal service for our students. Following this investigation, I would come back to you with a recommendation to either extend the existing contract or let a bid. Unfortunately, I have not even begun the exploration process.

Oak Park River Forest High School is willing to extend the existing agreement for another school year (2012-13) at no additional cost. Please note attached memorandum from Micheline Piekarski, the Food Service Director from the high school.

I am recommending we renew the contract with Oak Park River Forest High School for the 2012-13 school year, continue to work with the Wellness Committee in implementing all the new nutritional guidelines recently promulgated, and insure that between late fall/early spring of this year, complete the exploration of other competitive opportunities in order to timely make a recommendation to you on how to proceed for future school years.

This will return to the Board for formal approval at their May 8, 2012 meeting.
