

LIVONIA PUBLIC SCHOOLS

Operations Department

Memorandum

TO: Andrea Oquist, Superintendent of Schools

FROM: Phillip Francis, Director of Operations

DATE: November 1, 2016

SUBJECT: Purchase Recommendation for Frost Boilers - Sinking Fund

The existing boilers at Frost Middle School are coming to their end-of-life after more than 20 years of use. We have discussed with the Board on two previous occasions the “Frost Boiler Pilot,” and to that end, we put out for bid the Pilot Boiler Replacement at Frost, which was discussed at the Study Session of October 17, 2017. I would like to discuss the purchase of these boilers with the Committee of the Whole on Monday, November 7, 2017.

Harry Lau, Administrator of Facilities and Operations, is recommending the purchase of three (3) EVO boilers from Contrast Mechanical, Macomb Twp, Michigan for a total cost of \$119,000.00. These three boilers will replace seven (7) old boilers.

This purchase would be supported through the District’s Sinking Fund. I have attached a memo from Mr. Lau with additional information. Please feel free to contact me if you have any questions.
