RE: Revised District 90 Public School Calendar 2021-2022

An error was recently discovered on the District 90 Public School Calendar for the 2021-2022 school year approved by the Board of Education at the December 14, 2020 Board of Education meeting. President's Day was incorrectly listed as occurring on Monday, February 14, 2022. The actual date is Monday, February 21, 2022.

The Calendar Committee recommends amending the Public School Calendar for the 2021-2022 school year to reflect the correct date for President's Day, as well as shifting the February Teacher Institute Day from Tuesday, February 15, 2022 to Tuesday, February 22, 2022.
