From: John McCauley
Holmes School Principal

Re: Private Donation to Power of Partnerships Program

In February, 2016, a former Holmes teacher, Cathy Wrobel, passed away. Her husband, Craig Wrobel, recently contacted me offering to present a \$1,500 monetary gift to Holmes' Power of Partnerships program. Cathy was instrumental in creating the successful afterschool program several years ago.

The current Power of Partnerships teaching staff and I would like to apply the gift toward offering enrichment activities, such as field trips, over the next few years.

I'm requesting School Board approval of this generous gift in Cathy's memory. Thank you for your consideration.
