

Minidoka County School District  
**Technology Department**  
**September 11, 2019**

**Student Technology**

- Student devices were handed back out to the Sophomores, Junior, and Seniors
- 9<sup>th</sup> grade laptops were handed out the following Monday

**Registration**

- Online registration went very smooth at most of the schools with the help from technology staff and business department staff.
- Additional Ideas have been brought up to help make it even better for our Patrons next year.

**District Technology**

- Technology has been getting new staff up and running with equipment
- Our 2019-2020 E-Rate is continued on the inquiry for resolution. The state department has been in touch to help us out on the matter. It is still ongoing and a strong concern for us.
- Foods and Transportation have been upgraded to Fiber for better communication of equipment between them and the network.

**State Testing**

- New software has been installed for screening this year.

**Work Orders**

- Work orders are combined with Maintenance.
