Stephenville iChampion team,

We would like to sit down with you and discuss an amazing opportunity to partner together next summer for the iChampion Summit and potential CORE Academy. We are in the process of writing a proposal narrative, but wanted to discuss the partnership with all of you before submitting. I know everyone is busy with trainings and getting ready for the school year, so we can keep the initial meeting short. Is there a time you could meet next week or Monday, August 8<sup>th</sup> at the latest? The narrative is due August 15<sup>th</sup>, so we don't want to push it out too far. Please check your calendars and let me know if there is a convenient time and we will come to your offices. It should only take about 30 minutes to discuss the application and what the proposal will offer. Thanks so much and we look forward to working with you on this incredible opportunity!
