

Pana High School
Report to the Board of Education
September, 2018

- 9th Grade 106
- 10th Grade 96
- 11th Grade 95
- 12th Grade 107
- Totals 404

Our enrollment is down 8 students from this month last year.

The September First National Bank Senior-of-the-Month, Peoples Bank Athletes-of-the-Month, and WMKR Radio Students-of-the-Month will be named at the next board meeting.

We had a very successful Open House on August 23rd. On average our teachers visited with 13 parents each. Having the Open House on a night with a home volleyball game increased our attendance from previous years.

Update on School Sign- Lilly Sign company will be beginning the removal of old LED components in sign out front. Installation of new panels will begin shortly. As a reminder the funds for this project were all raised through outside donors. Donors will be recognized on the sign.

Class officers for the 2018-2019 school year:

The students have been notified that the Mid-Term of the first quarter was September 19th. We are no longer handing out hard copies of these reports now that the students/parents have access to this information online through LUMEN.

Parent-Teacher Conferences will be held October 4th from 12:00-4:00pm and 5:00-8:00pm. Preparations are under way to increase our level of participation from parents.

The High School Marching Band has performed in three parades so far this year: Old Settler's Parade in Hillsboro, Illinois State Fair Twilight Parade and the Pana Labor Day Parade. Unfortunately they were not able to travel to the University of Illinois for Marching Illini for High School Band Day due a weather related cancellation.

The National Guard visited PHS on Sept 5th and presented to Juniors and Seniors. According to Mrs. Bowker, "The National Guard normally comes once a year and brings some sort of activity for the kids to do. This semester they brought human foosball. The kids always enjoy them coming because it's something different. At the end of class, they talk to the juniors and seniors about the National Guard."

PHS Staff were hard at work collaborating with one another as we have been diving into a Growth Mindset Training. Training sessions will continue throughout the year as the PD schedule allows. Photographs are of Session 2 (Sept 18th) which focused on teaching teachers how to give specific praise and feedback to students.

Be a Part of the PRIDE!
