Dr. Kenneth Craw, Superintendent
New Fairfield School District

Dear Dr. Craw,

Please accept the enclosed donation of \$1500.00 in return for the school's support of the two Community Nights sponsored by New Fairfield Youth Basketball. I am not sure if you had the opportunity to attend either of the Community Nights but they were both a tremendous success. Highlights included a PA Announcer, DJ, tee shirt give away for the student section, youth shooting contests and half time games, Being able to waive the admission fee allowed so many more from the community to come out and support our young athletes; parents, siblings, current students, alumni, youth league players, grandparents and those families who are new to town. Those two games have been by far the best attended games so far this season and probably the biggest attendance the gym has experienced in many years.

For our student athletes there's nothing like playing in front of a crowd of your community members, friends, family, the kids in the youth program & playing alongside classmates. The sense of community and school pride is unbeatable.

I would like to have a conversation in the near future with the appropriate people to discuss how next school year we can work together to provide New Fairfield students (K-12) free admission to all the boys and girls home basketball games as well as make our Community Nights an annual tradition.

Look forward to hearing back for you at your convenience.

Sincerely,

Kevin Cook, President
